

About ICAA

ICAA is an association dedicated to the education of insulation contractors and advocacy for the insulation industry. We have been serving insulation contractors and suppliers for over 40 years.

Our mission is to support our Members in every aspect of their business. We provide our Members with free educational opportunities regularly throughout the year and are available for one-on-one support and assistance when needed.

We've got our finger on the pulse of the insulation industry. We keep our members informed with the latest and most accurate information when it comes to government regulations, compliance updates, and building envelope tax incentives. We provide customized marketing tools so you can keep your customers informed.

If you're an insulation professional, we are here for you.

Join ICAA Today

ICAA Membership is for your whole company, not just an individual. When you join ICAA, each member of your company benefits. All employees have full access to the ICAA Member Site where our library of resources, including webinars, newsletters, training programs, contract and program templates, and more, are available 24/7.

Employees of member companies can participate in our live webinars for free, register for our Annual Convention & Trade Show at a discounted rate, and receive personal login credentials for the ICAA Member Site.

Joining ICAA is easier & more affordable than you think. Visit www.insulate.org/join or use the QR Code below to get all the details and join today.

The Benefits of an ICAA Membership

ICAA is a membership organization serving residential & commercial insulation contractors and suppliers.

Learn

ICAA is committed to supporting our Members in every aspect of their business by providing an ongoing slate of carefully curated educational programming that is relevant and timely. We do this through:

- Hosting a continuous schedule of expert-led 20-minute webinars designed to pack a ton of information into a short amount of time - **we know you're busy.**
- Providing 24/7 access to exclusive training programs via the ICAA Member Site, including:
 - ICAA Gateway for SPF Helpers
 - Grade I Installation Training
 - National Insulator Certification Exam
- Offering customizable model programs, contracts, and forms.
- Providing a full library of safety checklists & training videos, toolbox talks & fact sheets, newsletters, DOT compliance information, and other valuable resources.

Connect

Every year, the insulation industry gathers at the ICAA Convention & Trade Show. This year, we'll be in Chicago on September 25 - 28. Members get discounted registration rates, and **new members get one FREE registration.**

As always, ICAA 2024 will offer a full day of quality, professionally-led educational programming designed to help insulators with every aspect of their business.

The star of the show, however, is our sold-out trade show floor, packed with the newest and most innovative products & services the industry has to offer.

Grow

As much as ICAA is committed to the education of insulation professionals, we are also committed to helping them turn that education into tangible business growth.

As an ICAA Member, you will have the opportunity to join the ICAA Qualified Contractor program. Displaying this logo on your marketing materials, website, and even your vehicles, will let your customers know you are dedicated to the highest business and insulation standards.

In addition to a listing in our Online Contractor Locator & Buyers Guide, all ICAA Member Contractors are listed in our 25C Tax Savings Calculator, which gives homeowners a way to estimate their potential tax savings when they upgrade the insulation in their homes, and find an ICAA Member Contractor in their area.
